

On Wednesday March 25th, Governor Walz issued an Executive Order, directing Minnesotans to stay at home and only venture out for essential needs, if necessary. This order is to start Friday, March 27th at 11:59 p.m. and end at 5:00 p.m. April 10.

First National Bank's Bagley and Fosston drive-thrus will continue to remain open but we encourage our customers to manage their accounts as much as possible through our phone banking, internet banking and mobile app services. These services allow you to make loan payments, check balances, transfer funds and deposit checks remotely. For your cash needs, we have drive-up ATMs at both locations.

We want to thank all of you, our customers, for being so understanding and accommodating as we do our part to stop the spread of COVID-19. Please call our branches with any questions or concerns you may have. Bagley – (218) 694-6233 Fosston – (218) 435-6878
